Dear Ms. Shahid: I am writing to request EPA access to your client's property, Mr. Henry Brown's Pine Hope Plantation near Vanilla Bay in Berkeley County, South Carolina. The Army Corps of Engineers forwarded Mr. Brown's alleged CWA violations to EPA last month. The EPA would like to conduct a site inspection and discuss with your client some potential CWA issues we have reviewed on Pine Hope Plantation.

I plan on accompanying EPA field staff to the Site and look forward to meeting you. The EPA has identified the week of October 15 to 18 as possible dates to meet with you and your client. We hope to meet on Tuesday afternoon after lunch and wrap up by Wednesday. Thursday and Friday are also suitable dates for EPA to meet with you and your client.
